### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Zinger on 08/07/06.

The application has been amended as follows:

Claims 22-24, 27-29 and 34 have been canceled.

In claim 1, line 7 the recitation –before any other bet wager is made, subsequently—has been inserted before “dealing”.

In claim 1, line 10 the recitation –for the first time—has been inserted after “deciding” and before “by”.

In claim 1, line 10 the recitation –and after said five cards are dealt face down—has been inserted after “up” and before “,”.

In claim 31, line 7 the recitation –before any other bet wager is made, subsequently—has been inserted before “dealing”.

In claim 31, line 10 the recitation –for the first time—has been inserted after “deciding” and before “by”.

In claim 31, line 11 the recitation –and after said five cards are dealt face down—has been inserted after “up” and before “,”.

2. The following is an examiner's statement of reasons for allowance: The references disclosing Hold' em and Texas Hold'em type games that the Examiner has found, had steps of each player placing an ante, dealing cards to each player to form players' hands, dealing community cards to the center of the table, providing a round of betting, then dealing further cards either to the player hand or to the community cards. None of the cited references alone or in combination teach the claimed "making said ante wager by at least a first player of a number of players; dealing by a dealer one community card that is face up, **said one community card being the only card community card dealt during the playing of the card game; before any other bet wager is made subsequently dealing by the dealer five cards that are face down to the first player and five cards face down to the dealer, wherein each player of the number of players that makes said ante wager is dealt five cards; deciding for the first time by the first player, at least after said one community card is dealt face up and after said five cards are dealt face down whether or not to continue to play.....wherein said bet wager is made by the first player after said five cards and said one community card are dealt**". All cards that that are required for play are dealt after the ante and before the bet wager. There are no rounds of further dealing of cards after the bet wager.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
